## Introduction to the Art and Written Works of David L. Forbes

The Books written by David L Forbes are unique in the method and process by which they are written. What is meant by this is that the subject matter, title, and content are inspired by a **painted prophetic parabolic image**, which is unraveled and explored, in order to discover its meaning. Because these painted visual parables come to the artist David Forbes as inspired, prophetic dreams and visions, which are not always understood at first. These painted dreamscapes become a mystery, to unravel its spiritually inspired content. In other words the book cover preceded the written content and titled meaning. Which is opposite from the way other authors write a book of their choosing, and select a cover they feel best selects its content. If a painting says a thousand words, why not let spiritually inspired painting become the catalyst, which inspires written content of books?

### **This concept was first expressed in 1972 on my first art brochure:**

*"After discovery of the spray mist approach in 1970. Forbes came to the realization that sensitivity is the vital factor in creative art. Not just sensitivity to material surroundings of our world, but to the Creator of the material realm.*

*Thus he concludes that true creativity stems from the open channels to the infinite Creator, which is the Illuminated perception to inner forces. The artistic expression is accomplished through the free release of color, texture and design. A painting becomes a flowing process, which is neither preconceived nor copied. It is bringing forth that which already exists, subdued upon the canvas."*

*"Man's inner drives lead him in search for a refuge of security, serenity and peace of mind. Some seek these through escaping reality, others by discovering it. 'Dreams and visions are the theme which I have centered my attention.'*

*Forbes states. 'Through them our basic drives find varying degrees of release and insight. They may appear as fantasy, but in content dreams convey reality. They may be a temporary mental journey into an idealistic world, or an intrinsically part of man's mental and spiritual make-up, trying to unleash itself from suppression."*

*"In essence dreams appear supernatural. We haven't the power to suppress them, nor do we have the ability to direct their flow. Not only do they tell of us, but also convey to us. Their content may appear as fantasy, but yet their impact may be prophetic."*

*"My purpose and objective in art is to reach beyond the realm of the superficial, to explore and expose the infinite possibilities, or to phrase it in a different way; to be a tool that the creator of the universe may use to express supernatural revelation."*

**A parable is a word-picture which uses an image** or story to illustrate a truth or lesson. It creates a mini-drama in picture language that describes the reality being illustrated. It shows a likeness between the image of an illustration and the object being portrayed. It defines the unknown by using the known. It helps the listener to discover the deeper meaning and underlying truth of the reality being portrayed.

### **This is important, to consider what Jesus says about parables:**

(Matthew 13:10-13) *And the disciples came and said to Him, "Why do you speak to them in parables (illustration, analogy)?" He answered and said to them, "Because it has been given to you to know the mysteries of the kingdom of heaven, but to them it has not been given. For whoever has (Ears to hear what the Spirit says), to him more will be given, and he will have abundance;*

*but whoever does not have, even what he has will be taken away from him. Therefore I speak to them in parables (illustration, analogy), because seeing they do not see (comprehend spiritual revelation), and hearing they do not hear (what the Spirit of God is saying), nor do they understand.*

**At the end of 2012, during the Feasts of Tabernacles, the Spirit of God prompted me to complete a book I had started in the later 1990's.** At that time, I was involved with a group called the Prophecy Club, started by Stan Johnson, of which I became the MC in charge of a group which met monthly for Prophetic seminars, given by major authors, and speakers which were exposing cutting edge information related to end times and prophecy. At that time the prophecy club was a major operation which was on radio, television, and had meetings in 50 major cities, of which I was in charge of Boise, Idaho area. Because of my direct connection to these many resources and speakers, I was given a more balanced perspective of end times; which transcends the religious denominational bias.

Even the church I was attending at that time, the leadership told me not to invite anyone from the Church to attend the meetings, which, at that time was attracted large numbers of interested people. I admit that these meetings were not like a church service, but were seminars conveying pertinent information of coming events, which would change the world as we know it. I not only had the full spectrum of books, and videos; but I also became directly involved, through contact with each speaker, and some I got to know more personal. I basically took care of their needs while they were in town, even sharing dinner and communing with them. Many times contact information was shared, and even friendships developed. Amazingly, as I ponder these relationships and connections, I realize that many of them have progressed into major ministries, authors and speakers. I admit that many of these people have contributed greatly to my perspective and understanding related to end times.

Often people look for credentials to determine if a book or author is worth reading, or listening to. As a writer I'm unknown. But as an artist who painted prophetic dreams and visions, I was known, through paintings of visual parables, displaying supernatural influence, now being explained in words. Having ears to hear what the Holy Spirit is saying, and allow Him to lead you into all truth, you will not be lead astray, and become confused by the doctrines of men.

What is the basis of your beliefs, and reality? Is it excepted knowledge from famous personalities, with often flaunt their credentials, or the simple minded, humble servant, showing the way toward life giving intimacy, with the God of all creation? A God who uplifts the humble, and freely gives abundant life to the meek? Knowledge doesn't bring peace, but living in the *Power and love of the Holy Spirit* does. All Gods people should be growing in spiritual knowledge, and understanding of the work and ministry of the *Holy Spirit*.

Christians not walking in the power of Gods Spirit are defenseless against Satan's manipulation, attacks and detours. Through personal experience, I can testify that there are supernatural principalities and powers, and dark rulers in high places, fallen angles and demons, who are willing, and ready to inhabit your mind, soul, and even possess, and control you. Much of the information in the book will further address these issues, and more.

(John 10:3-5) *“To him the doorkeeper opens, and the sheep hear his voice; and he calls his own sheep by name and leads them out. And when he brings out his own sheep, he goes before them; and the sheep follow him, for they know his voice. Yet they will by no means follow a stranger, but will flee from him, for they do not know the voice of strangers.”*

### **GREAT TRIBULATION IS BEGINNING**

The greatest conspiracy to face mankind, and our present survival on the earth is here, which began before humanity existed thousands of years ago. A conspiracy uncovered and discovered in the archives of art artifacts, and ancient texts; which has its roots displayed in the existence of ancient preexistent gods, which came down to earth from the heavens. Some call these ancient gods, aliens, watchers, or even ultra-dimensional exalted masters of the universe. Others call them angelic beings, fallen angels and demons. They possess abilities, which are described as supernatural.

It's not surprising to see their connections linked to many past and present religions, and occult practices. Some are perceived as being good and others as evil. From the beginning of civilization, ancient Pagan occult practices were being used to appease the gods, in order to gain special favors, powers and abilities to control the environment, people, and civilization, to obtain and control empires, as gods. Those who possessed this secret occult knowledge and powers, forming secret societies, establishing a hierarchy of ancient bloodlines dating back to Nimrod, a Nephilim god ruler, responsible for the building of the tower of Babel, and Babylon. Nimrod was later known as the Sun god, and the father of Paganism. Even now, these hidden ruling elite, after thousands of years are resurfacing, to establish a one world Governmental Empire, as attempted by Nimrod, calling it a New World Order. A World Empire to enslave humanity, and to destroy the world system, as we know it. We are being dragged into the worst Tribulation mankind has ever faced; with world war three, just around the corner. Revelation is being fulfilled, and the big question confronting all of humanity; Are you ready for the coming *'New World Order*, and the great harvest of souls for Christ's return?

### **MY PEOPLE ARE DESTROYED BECAUSE OF LACK OF KNOWLEDGE.**

The following Information will be shocking to those unaware; what has transpired, and what is yet to come. Our freedoms, liberty, property, privacy are being eroded; while our possessions, financial security, and our jobs are intentionally being outsourced to other nation. Our National wealth, our resources, and monetary system are no longer being protected, while our future financial security is being pilfered. We as a nation are bankrupt; and the working class, taxpaying citizens are responsible to pay the National debt to the elite creditors, and nations, which seek to enslave us. The per-person national debt far exceeds our ability to ever pay it back. We've been sold out by corrupt leaders, and political puppets, controlled by the world's elite. Their plans from the beginning was complete world domination; including confiscation of all property and wealth, all natural resources and human resources, which is human enslavement, perceived as owned chattel. Even now, we're enslaved as a corporate asset. And if perceived as nonconformists, unproductive chattel, or useless eaters, we as will be culled and destroyed.

**The title of the book, and the primary purpose of the book is found in (Revelation 2:25-29) *“But hold fast what you have till I come. And he who overcomes, and keeps My works until the end, to him I will give power over the nations-- 'He shall rule them with a rod of iron; They shall be dashed to pieces like the potter's vessels'-- as I also have received from My Father; and I will give him the morning star. He who has an ear, let him hear what the Spirit says to the churches.”***

### ON PAGE 6, Book Chapter 7

All I can say, is the Devil is truly the author of deception and confusion. There are ordained, educated Baptist Pastors of established churches, who have gone against their own denominational seminary teachings, who aggressively speak out against this false teaching, and even jeopardize their own future careers as Baptist Church pastors. I too, with conviction, and seminary training, was the son of a Baptist Preacher who got me interested in prophecy in the 1960's, having written his own book on pre-tribulation rapture. For him, it doesn't matter, because he is already with the Lord.

**But for those of you who remain, are you truly prepared for the return of Christ.** He will come at *the last trumpet blast* of the *Festival of Trumpets*, the *Day of Atonement (Yom Kippur)* means **face to face in God's presence**; which begins *The Feast of Tabernacles* (the **Final harvest** and **Ingathering**), which is when *The Messianic Age begins*. The truth will set you free! Are you willing to believe what you've been taught or told by others, without checking it out for yourself? The scripture says *there will be a great falling away within the church*. And *those who endure till the end will be saved*. What is Jesus saying to the seven churches in Revelation? Two major commands if you who are in the Church wants to survive: First **he who has an ear, let him hear what the Spirit says**. Do you hear the voice of God speaking to you, guiding you and giving you direction? The scripture says *"My sheep hear My voice and follow Me."* What about you, do you hear the Lords voice and follow Him? The second command we must overcome to prosper and receive great reward. Think about this, if we don't overcome tribulation we will get nothing, but if we do overcome we will receive blessing.

## The Cost to Follow Jesus

### **RHEMA WORD (12/08/1998)**

*"Get ready, tribulation is coming, the greatest harvest of all times is ready to be reaped. At the end of harvest I will return for my completed Church without spot or wrinkle; A completed Church that has been tested and refined in the fires of trials and tribulation. A Church walking in the power of my Spirit, that is willing to pay the price, even unto death, to fulfill my purpose.*

*You are The Church of Philadelphia, for which I have opened the door that no one can close. You are weak, but I will make you strong. You are not just one Church but many within different churches that have heard my call to unify in one purpose.*

*You are those who are totally committed to doing my will, as chosen vessels. It is not talents, ability or background that makes you my chosen, but commitment to servant-hood.*

*I am drawing you out for my anointed last day's Church, committed in unity for the common goal, of fulfilling my will and purpose; Becoming a completed Church, which will bring about my fullness, and fulfill the purpose, for My Kingdom. My requirements for you are higher than ever before, but my anointing will be greater, for perilous times.*

*I require a daily sacrificial commitment to me, which will bring a special fresh anointing to implant my mind, thoughts and purpose within you. A time is soon coming when this daily anointing will be critical to gain victory in the mist of turmoil. I am not sending you out without protection. My Spirit will be your hedge of safety against the powers of darkness.*

*I desire to build within you boldness, unlike the world has ever seen before. A boldness which is combined with faith, to step forward, in the power of my Spirit, even in the face of hostilities, and speak with authority and conviction. Knowing that nothing can harm you: for I am in control of your words, thoughts, and your safety. Your strength is in me.*

*Don't hesitate to carry out my commands, based on your own logic. When you step out in faith, believing I am in control, then I will give you whatever you need to do the job. This will develop greater measures of trust and faith, which are for greater works I have for you. Your humble commitment to me will keep the doors open that no one can close. To him that has more, more will be given. My wisdom is beyond human reason, which confounds the world.*

*Let me build a strong relationship of love and communion between us. You are my very own children, who I love, and co-inheritors of all that is mine. I desire loving commitment to me, not as slaves without an inheritance, but children who give because of their love toward the father, who shows such great mercy and love toward you.*

*Let my love freely flow in and out from you. True love that has impact and power on all those, you have contact with. The power behind the church body is love, which binds it together in perfect unity. With this unity of love no powers of darkness can defeat it. Those who I have chosen out of the world can't resist it.*

*The unity of love I have with you, and you have with others brings me much glory. It shows all of creation the depth of my love and justice, because of grace. I desire to give my full measure of love to all that are mine, which will continue to be in you throughout eternity. The bonds of unity and love, within the church body, grow stronger as each member takes part, in bringing about my purposes into fulfillment. This is the giving of yourself, as a sacrifice of praise to me, and for others. You bring me joy when you give of yourself. Joy I then release back to you for your edification. When you walk in my ways, in obedience, my hedge of protection and power is placed about you.*

*Never proceed into any spiritual battle, before my spirit gives clear direction. My word must go before you and be in you, as part of you. Your thoughts and mind must be in total unity with mine.*

*When I can trust you, and you're ready, the words you speak will have miracle power as if I was speaking them. I desire that all of my chosen be spirit-empowered ambassadors, which speak the authority of my words, which the powers of darkness fear and flee from. They know those who are my chosen bondservants, who possess my power.*

*The battle is mine but the victory will be yours. Those who take heed, and respond to my last day's preparation, by my Spirit, will be mighty warriors in my kingdom. They will be my good and faithful servants, who my "created faithful" have been waiting for. Victory is assured. So give me all, and I will give you all".*

### A BASIC OUTLINE OF THE BOOK

**To properly understand the mark or seal of the believer, it is necessary to lay down a proper groundwork first.** In the process of researching this material, the Lord led me in directions I didn't expect. What I perceived would only be a research paper, has now become a book with many links.

**The content of the following written material may alter your perception of traditional Christian theology, as it did with me.** That is to interpret eschatology, by understanding the Hebrew roots, and how we the Church relates to Israel. God's seal upon us represents our commitment and allegiance to him, as chosen people, whose priority is the coming of His Kingdom, because they Love Him, desire intimacy with Him, to become His spiritually pure, mature, and undefiled Bride.

**She (the Church) will be a Bride who is teachable, moldable, and consistently obedient to her Groom, the Lord Jesus Christ.** The goal of God's chosen people is not just to be Heaven bound, but also to participate in fulfilling; *"Gods Kingdom comes, and His will be done, on earth, as it is in Heaven"*.

**The 'Bride of Christ' is a sealed congregation of bondservants, who are spiritually mature, having prepared themselves, and have been made ready to have everlasting intimacy with their groom.** The "Bride of Christ are sealed, and protected from the powers of darkness. And they shall be the mighty ones of the *'whole house of Israel, One new man, and those who is grafted into 'the Israel of God.'*

**Israel is not only the Jews; but also those who have been grafted into the Olive Tree of Israel.** They are the called out, chosen, of the Christian Church, who are one of the Two Candle Stick Witnesses, which will later be addressing. Is Israel the Christians Church, or is it only for Jews, or could it be both? Will the “Gentile Christian Church” be in heaven at the Wedding Supper of the Lamb, as taught by many Christian Churches, while the Jews are left behind during The Great tribulation for God to deal with separately? Or is this merely a miss-conceived anti-Semitic doctrine, which places the Christian Church over the Jews as the bride, and with Grace superseding ‘the law?

**We are in fact, One New Man, a unified single bride, a Holy congregation called to be part of the Whole House of Israel** (Ephesians 2:11-18). We gentiles have been grafted into the “*olive tree*” (of Israel) because of Jesus the Messiah, nourished by the God of Abraham, Isaac, and Jacob. We, as Christians, are one of the “*Two Witness*” and the “*two houses*”, (both Christian and Jew) which confirm the truth of (YHWH) God on the earth. But before the fulfillment of the “single Bride”, the two witnesses must undergo spiritual and theological changes, through tribulation, making them into a single bride.

**The church must return to the foundation of its Hebrew roots. The Jews must accept the true Messiah.** *Together they must discard bios and man’s teaching and instruction, in favor of only God’s teaching and instruction.* Then they will become a powerful witness to the world, in unity and righteous. They will have the fullness of the Spirits anointing and power, to defeat the enemy. They will be a “*glorious church (bride), not having spot or wrinkle or any such thing, but that she should be holy and without blemish*” (Ephesians 5:27). This isn’t compromise, but placing Gods Revelation over mans religion.

**God’s Sealed Over-comers will be God’s army of bondservants, represented as the “Whole House of Israel”,** who will become the one bride of Christ. They will be a bright spiritual light in the midst of extreme spiritual darkness on earth. They will be God’s greatest congregation of spiritually anointed and empowered witnesses. They will be the “*fullness of Christ*”, displaying all that He is.

**Because of the extreme contrast of spiritual light and darkness, the greatest harvests of people’s souls will be taking place.** That light will attract the lost souls, which were preordained and called to be God’s people. There are unknown people today who are being prepared in the wilderness for an “end time’s harvest”. God’s mark is for those who are willing to “*sell all that they have, in order to buy the pearl of great price*”, and to love, worship and follow Christ, with all your heart, soul and might. These issues will be addressed in more detail in the following pages.

**I have come to realize that He not only created Love, But He is, by nature Love, loves us, and He personally desires our Love, and a personal relationship with us, His creation:** To think that the God of all Creation Desires relationship with us, to me is overwhelming. I am saying this, because the closer we get in our relationship to Him, the more our mind and thoughts become unified with His. His desire is that we have the mind of Christ, which gives us this understanding of His nature. I come to realize I’m unimportant, but through Christ I am designed to be a prince of the most-high God.

### **A Historical Reference for this book**

**In the beginning, before mankind existed, a rebellion against the Creator (YHWH), took place in the highest Heavens.** Lead by Lucifer, and 1/3 of the angles; whom God caste down to the earth. Sometime

after these fallen angels, sometimes referred to as the sons of God, were cast to the earth, mankind was created from the elements of the earth, and placed in a sheltered and protected area called the Garden of Eden, where they were given dominion over the earth. But when mankind rebelled, they were cast out of the security of the garden. And because mankind chose to follow the rebellious ways of Lucifer, (the serpent), he and those with him took over mankind's dominion over the earth.

**Lucifer's desire was to be as God, and those people who willingly embrace him, and seek his dark supernatural powers and assistance, will also be like him in nature.** So since the beginning, Lucifer wanted to be God of the earth, desiring corrupted worship and allegiance by his own disciples, in exchange for supernatural power to work toward his purpose and objective, through: deception, lies, manipulation, enslavement, torture, death, and all forms of evil intension; because the ends justify the means. They don't embrace dominion as a caring steward, but instead they seek absolute power to dominate and control, and destroy without restraint.

**Lucifer, Satan (the adversary) hates all mankind because they were created in the image of God, to replace the 'fallen ones,' with the redeemed of mankind.** Unlike the demons, mankind is given an opportunity for redemption, and then given power and authority to overcome and defeat the principalities and powers of darkness. Redemption makes us a new creation in the likeness of Christ, living and dwelling within His Spirit in us, giving us Gods' unlimited authority and power. These dark forces know this, and are doing everything possible to keep us from knowing, or putting this into practice.

**Lucifer's objective is not for mankind to continue as it has, but they plan to genetically alter highbred human host bodies, for Demons or disembodied spirits to inhabit.** Lucifer tries to counterfeit the acts of the God in every way possible. He will soon present himself to the world as the Messiah, through a prepared host of humanity, to counterfeit the return of Christ, with a false prophet, and one world religion to worship the image of the beast, of Lucifer's inspired creation of genetically corrupted life, and world Governmental power.

**There are two opposite and apposing spiritual dimensions and kingdoms of existence.** Some may call them parallel dimensions or heavens, with a third being our present material, or physical realm of existence. Because a righteous God cannot tolerate sin and unrighteousness, the fallen ones were separated to their own dimension or realm of existence on, in, or under the earth, the Sea, the first heaven or sky. For a season the powers of darkness are granted access to the earth.

**(Genesis 1:1- 4) "In the beginning God created the heavens and the earth. And the earth was without form, and void; and darkness was on the face of the deep. And the Spirit of God was hovering over the face of the waters. Then God said let there be light and there was light. And God saw the light that it was good; and God divided the light from the darkness."**

**If you study the literal Hebrew words, not relying on some miss-chosen-translations, the understanding of the Genesis of creation takes on a different perspective:**

**(John 1:1-5) 'In the beginning was the Word, and the Word was with God, and the Word was God. He was in the beginning with God. All things were made through Him, and without Him nothing was made that were made. In Him was life (abundant and eternal life), and the life was the light of men.'**

**Actual underlined word above and phrase definitions means: (Genesis 1:1-2) 'Creation by cutting down and clearing out the existing corrupted matter, God's Son creatively formed, and fashioned the heavens and the earth, into a new creation, of order out of disorder. That's because the earth was in spiritual darkness, corruption, sin and death, and physical darkness, lacking order; a formless chaotic, empty, desolate waste was without purpose. A scene of confusion, utter disarray of desolation and empty barrenness; where darkness was on the face of the deep water abyss. And the Spirit of God was hovering over the face of the waters. Then God said, let there be light, the presence and illumination of God. And God saw the light that it was good; and God divided the light from the darkness.'**

(Genesis 1:1-2) actually described a preexistent corrupted earth, which was re-sculptured into something new and different, and not a new earth being created into existence. This is called the gap theory, which is consistent with scripture, and makes allowance for an older earth, and why the earth was corrupted, which seems to connect Lucifer and the fallen ones? This is not about Darwin's evolutionary theory, but understanding why the earth was without form, and void; and why darkness was on the face of the deep, which is described also in spiritual terms. The full reality of God and creation is much more than a short description in Genesis. Beside extra Biblical references also mentioned in the canonized Bible, there are many remains and artifacts that don't fit the mold of what many assume to be true and valid.
